NOTICE.

PUBLIC NOTICE is hereby given that the Government of His Majesty the King of Sweden and Norway purpose sending, in the summer of this current year, a balloon expedition towards the North Pole for exploration in the interests of science. The balloon will convey a party of three Swedish scientists, who have been making explorations towards the North Pole by these means, namely, Mr. Salomon August Andrée, aged 43; Mr. Nils Strindberg, aged 25; and Mr. Knut Hjalmar Ferdinand Fraenkel, aged 27; or one of those replaced by Mr. Gustaf Wilhelm Emanuel Swedenborg, aged 28. It is understood that the expedition will start from Spitzbergen about the 1st of July next.

The Swedish and Norwegian Minister at the Court of St. James having, in the name of his Government, invoked the assistance of Her Majesty's Government with a view to making it generally known in the British possessions extending towards the Arctic regions that the expedition in question will be attempted, and the Swedish Government being anxious also that the project should be made known to the authorities in other parts of Canada and to the general public in the Dominion through the medium of the press, Her Majesty's Principal Secretary of State for the Colonies has requested

His Excellency's Government as far as possible to meet the wishes of the Government of His Swedish and Norwegian Majesty in this matter.

Accordingly, Her Majesty's loyal subjects throughout this Dominion are hereby notified in the premises and are requested to give the explorers, should an opportunity present itself, all the help in their power. If the balloon be seen only and no communication be had with the exploring party, it is requested that the following particulars may be noted and communicated either to a local newspaper or to some learned body, namely: the day and the hour in which the balloon was seen, the direction of the balloon, and the direction of the wind.

Should any accident befall the explorers and should they arrive in any locality having lost the balloon, the inhabitants are asked to give them all possible assistance.

ROSSLAND CITY BY-LAWS.

BY-LAW NO. 2.

A By-law to Define the Conditions, Requirements and Regulations of Licences for the Sale of Spirituous Fermented, Intoxicating and Other Liquors in the City of Rossland, and for Limiting the number of Licences to be Issued to Hotels, Saloons, and Stores.

WHEREAS it is deemed expedient in the interests of the City of Rossland, that the conditions, requirements and regulations in order to obtain and hold licences for the sale of spirituous, fermented and intoxicating liquors should be defined by by-law :

Therefore the Municipal Council of the Corporation of the City of Rossland enacts as follows :

1. (a.) Where the words "liquors" or "liquor" occur in this by-law, they shall be construed to mean and include all spirituous and malt liquors and all combinations of liquors and drinks and drinkable liquors which are intoxicating :

(b.) Where the words the "Board" or the "Commissioners," or the "Board of Licensing Commissioners" occur in this by-law they shall be construed to mean and include the Board of Licensing Commissioners of the City of Rossland.

2. The Board of Licensing Commissioners of the City of Rossland may direct the issue of licences, written or printed, or partly written and partly printed, which may be in the form contained in

Schedule "A" to this by-law, and to be signed by the Chairman or acting Chairman of the Board, and counter-signed by the City Clerk, of the several kinds and descriptions following, that is to say :

- (a.) Retail liquor licences :
- (b.) Bottle licences :
- (c.) Wholesale licences :
- (d.) Hotel licences :
- (e.) Special retail liquor licences at public picnics.

3. Every such licence shall authorise the sale by the person named, and upon the premises named in the licence certificate to sell according to the terms of his licence and subject to the provisions of this by-law, all spirituous and malt liquors and all combinations of liquors and drinks and drinkable liquids which are intoxicating.

4. A retail liquor licence shall authorise the person named in the licence to sell and dispose of on the premises named in the licence any liquors by retail in quantities not exceeding one quart, which liquors are to be drunk in the place where the same are sold. The word "saloon," where it occurs in this by-law, shall be held to include places licensed under this section.

5. A bottle licence shall authorise the person named in the licence to sell and dispose of liquors by retail in a shop, store, or place other than an inn, saloon, hotel, ale or beer house or house of public entertainment, in quantities of not less than a reputed pint bottle at any one time, to any one person, when the liquor is at the time of sale taken off the premises in the original package or bottle.

6. A wholesale licence shall authorise the person named in the licence to sell and dispose of liquors from out his warehouse, store, shop, or place defined in the licence, in quantities of not less than two gallons, and whenever such selling by wholesale is in respect of bottled ale, porter, beer, wine, or other fermented or spirituous liquor, each such sale shall be in quantities of not less than one dozen reputed quart bottles. No liquor so sold shall be consumed in or about the house or premises in respect of which the licence is granted.

7. An hotel licence shall authorise the person named in the licence to sell and dispose of on the premises named in the licence, liquor by retail in any building used as an hotel and containing not less than thirty rooms actually furnished and used for hotel purposes.

8. A special licence shall authorise the holder of a retail liquor licence to sell liquors by retail at a booth, fair, or public picnic held within the limits of the municipality; such licence shall be in force for the period mentioned therein, not exceeding forty-eight hours, and ten dollars shall be paid therefor, and only one such special licence shall be granted for the same date.

9. The number of licences issued and to be issued in the city shall be limited in the manner following :

(a.) The number of licences to sell liquor by retail, and of hotel licences issued or to be issued in the City of Rossland, shall not exceed forty until the population of the City of Rossland shall have been ascertained to be ten thousand or more, and then only one additional hotel or retail licence shall be granted by said Licensing Board for each full one thousand of population in excess of ten thousand, the basis of said enumeration to be the yearly census taken by the Assessor of the City of Rossland, who shall report to the Board not later than the first day of June in each year.

10. In the event of the premises named in any licence being destroyed by fire, torn down, removed or closed for the purpose of rebuilding or improvement, it shall be lawful for the Board of Licensing Commissioners to grant to the holder of such licence permission to sell liquor under authority of the licence temporarily in any other premises in the immediate neighbourhood thereof, during such rebuilding or improvement.

11. The Mayor may grant permission for a temporary transfer of a retail liquor licence either from one premises to another or from one person to another, but subject to ratification by the Board of Licensing Commissioners at its first sitting thereafter.

12. No licence shall be granted to sell liquors in an hotel, saloon or shop unless the applicant has complied with the provisions of the "Fire Escape Act, 1894," and amendments, and has further complied with the provisions and requirements of any other Act or by-law for the time being in force and affecting hotels, saloons or shops.

13. No retail or bottle licence or renewal shall be granted to any premises where any kind of goods, wares or merchandise are sold excepting tobacco, in

any form, or articles to be used in connection with the consumption of tobacco.

14. No person having a bottle licence to sell by retail shall allow any liquors sold by him or in his possession and for the sale of which a licence is required, to be consumed within his shop or within the building of which his shop forms a part, or which communicates by any entrance with such shop, either by the purchaser thereof or by any other person not usually resident within such building, and the shop in which he sells liquor shall be open to the street so that any passer-by can readily see the whole of the premises therein, either through the window or door.

15. No wholesale licence shall be granted to any person who carries on a retail business of any kind on the premises for which a licence is sought.

16. Every licence issued shall be in force from the date of its issue until and inclusive of the 15th day of July or the 15th day of January, whichever shall first happen after the date of the issue thereof, unless in the meantime revoked, cancelled or suspended by the Licence Commissioners, who shall have power to revoke, cancel or suspend the same.

17. No licence shall be issued until the applicant has first paid the licence fees prescribed as payable in the schedule marked "B" to this by-law, for licences for the sale of liquors.

18. No person shall sell, or offer for sale, intoxicating liquors of any kind within the limits of the City of Rossland without having first obtained a licence authorising him to do so under this by-law, but this section shall not apply to sales under legal process, or for distress or sale by assignees of insolvent debtors, or to sales made under licences lawfully issued under the provisions of "An Act relating to Licences," Chapter 73, Vol. 1, of the "Consolidated Acts of 1888" and now existing.

19. No person having a licence to sell by wholesale shall allow any liquor sold by him or in his possession for sale, and for the sale or disposal of which such licence is required, to be consumed within his warehouse or shop, or within any building which forms part of or is appurtenant to or which communicates by any entrance with any warehouse, shop or other premises wherever any article to be sold or disposed of under such licence is sold by retail, or wherever there are kept any broken packages of such articles.

20. No person, unless he is duly authorised as aforesaid, shall by any sign or notice give the public to believe that he is so licensed.

21. No person shall keep or have in any house, building, shop, eating house or house of public entertainment, or in any room or place whatsoever for the purpose of selling, bartering or trading therein, any intoxicating liquors, unless he is duly licensed for that purpose under the provisions of this by-law.

22. The preceding section shall not apply to prevent any practising chemist or druggist, duly authorised under any act in force in the Province to dispense medicines, from keeping, having or selling liquors for strictly medicinal purposes; but no such sale shall be made in packages of more than six ounces at a time, except under a certificate from a registered medical practitioner. A record of every sale or other disposal of liquors so made, with the name of the person to whom sold or disposed of, and the name of the medical man who granted the certificate for same (if any), shall be kept in a book, which may be inspected at all reasonable hours by any police officer; but no liquor so sold or disposed of shall be consumed on the premises on which same are sold.

23. All licences and certificates of transfer of licences shall be constantly and conspicuously exposed in the licensed warehouses and shops and in the bar-rooms of hotels and saloons.

24. Every hotel and saloonkeeper shall keep a lamp affixed on the street outside the door of his licensed premises, and not more than twelve feet from such door thereof, lighted during the whole of the night from dark to daylight during the time of holding such licence.

25. The Chairman of the Board of Licensing Commissioners may, by endorsement on the licence, exempt any hotel or saloonkeeper from compliance with this provision in cases where he thinks the street or particular part where the licensed premises are situate is otherwise sufficiently lighted.

26. No more than one bar shall be kept in any hotel or saloon licensed under this by-law.

27. Every hotel, saloon or shopkeeper who receives in payment or as a pledge for any liquors supplied in

or for his licensed premises anything but current money, or the debtor's own cheque on a bank or banker, shall for each such offence incur a penalty not exceeding twenty dollars, besides costs.

28. Any officer, policeman, constable or inspector may, for the purpose of preventing or detecting the violation of any of the provisions of this by-law which it is his duty to enforce, at any time enter into any and every part of any hotel, saloon or other house of public entertainment, shop, warehouse or other place wherein refreshments or liquors are sold or reputed to be sold, whether under licence or not, and may search every part thereof and of the premises connected therewith, as he thinks necessary for the purpose aforesaid, and every person who is therein and who refuses or fails to admit such officer, policeman or constable or inspector demanding to enter in pursuance of this section in the execution of his duty, or who obstructs, or attempts to obstruct, the entry of such officer, policeman, inspector or constable, on any such search as aforesaid, shall be subject to the penalties of this by-law.

29. No licence shall be granted to any applicant under this by-law who is not of the full age of twenty-one years.

30. Every person licensed under this by-law who permits drunkenness or any violent, quarrelsome, riotous or disorderly conduct to take place on his premises, or who sells or delivers intoxicating liquors to any drunken person, or permits any drunken person to consume any intoxicating liquor on his premises, or permits persons of notoriously bad character to assemble or meet on his premises, or permits any gambling or any unlawful game to be played or carried on on his premises, shall incur a penalty not exceeding fifty dollars, with costs of prosecution.

31.
